

Present Awards For Suggestions At Joliet Arsenal

Suggestion awards* totaling \$250.00 were presented recently to six Joliet Arsenal employees by Col. Ronald B. Currens, Commanding Officer, Joliet Arsenal.

Arley Brown, 213 White avenue, received an award for his suggestion relative to an improvement on the conveyor belt on the production assembly line. Mr. Brown is an employee in the Ordnance Maintenance Branch and has been in such employment since Sept. 20, 1950. He is a resident of Joliet.

Carl R. Jeppson, 534 Osage street received an award for an improvement in the paint building at the Elwood Unit. Mr. Jeppson is an employee of the Repairs & Utilities Division and has been employed at the Arsenal since its installation in 1945 and was a former employee of the Elwood Ordnance Plant from 1942.

OTHER AWARDS were give to Mr. Frank J. Matijevich, 1633 E. Cass street, Joliet, Illinois, who has been employed as a guard in the Security Branch since March 1951; Harry H. Westelius, 311 Oneida street, Joliet Ill., who has

been employed as a guard in the Security Branch since December 1951; Robert Slover, Wilmington, Ill., also a guard in the Security Branch since April 1951, and Henry F. Craig, Morris, Ill. Mr. Craig is an employee of Repairs & Utilities Division and has been employed since December 1945.
